(a company registered in Delaware, USA, with company number: 5405073, whose registered office is at 405 Lexington Avenue, Suite 3504, New York 10174) (“**MERLYN MIND**”) warrants that the MERLYN MIND branded product you purchased for your end use (“**Product**”) is free from defects in materials and workmanship under normal use during the Limited Warranty Period specified above (“**Limited Warranty**”). This Limited Warranty covers the Product for warranty service only within the country where the Product was originally purchased and only covers Products purchased as new.

MERLYN MIND hereby expressly disclaims all warranties, terms, conditions and representations not expressly stated in this Limited Warranty. All other warranties, terms, conditions and representations for the Product, including all implied warranties and conditions, whether statutory or otherwise and whether arising in law or equity, including (without limitation) the implied terms of satisfactory quality and fitness for a particular purpose, or those implied terms otherwise arising from a course of dealing or usage of trade, are hereby disclaimed to the maximum extent permitted by law. Any implied warranties, terms or conditions that may be imposed or implied by law and which cannot be disclaimed by law are limited in duration to the terms of this express Limited Warranty.

You acknowledge that you are responsible for ensuring that the Products you order are fit for the purposes for which you intend to use them. If you purchased any of our Products as a consumer, the above qualifications, exclusions and/or limitations may not apply to you, and your statutory rights under the Consumer Rights Act 2015 remain unaffected.

How Long Does This Limited Warranty Last? Your Product (and its included accessories) will have the respective Limited Warranty Periods stated in the table above measured from the date of your purchase. Where you have purchased a warranty extension from us, then your Limited Warranty Period will be extended accordingly as measured from the date of your purchase. For example, if you have purchased a two-year warranty extension from us (under Warranty SCWAR2), then your Limited Warranty Period will be 5 years measured from the date of your purchase. If you register your Product with MERLYN MIND, you can log-in to our website to determine the applicable Limited Warranty Periods.

What Will MERLYN MIND Do? If the Product fails to work as warranted, MERLYN MIND will, in its sole discretion, repair or replace the Product or part with a new or remanufactured product/part that is at least equivalent to the original Product/part. This is your sole and exclusive remedy for breach of the Limited Warranty. Replacement parts or products are warranted to be free from defects in materials and workmanship for thirty (30) days or for the remainder of the Limited Warranty Period, whichever is longer.

What Are Your Obligations? MERLYN MIND strongly recommends you register your Product online at Merlyn.org/support or by sending an email to support@merlyn.org. Your failure to complete Product Registration will not diminish your rights under this Limited Warranty. If you do not register the Product with MERLYN MIND, you may be required to present proof of purchase as evidence of your entitlement to warranty service. The proof of purchase must show the price, date, location of purchase and Product description.

Before sending in your Product for repair, if applicable, please remove any data, software, or materials that you may have stored or preserved on your Product drive by initiating a “factory reset” and remove accessories or peripherals that are not under warranty service. It is possible that such data, software or materials will be destroyed, lost or reformatted during the service.

MERLYN MIND is not responsible and fully disclaims any and all liability for any damage to or loss to data, software or materials or any accessories shipped with the Product. You must read and follow all set-up and usage instructions provided with the Product.

If you fail to do so, the Product may be damaged or may not function properly, or you may sustain personal injuries.

If you authorize MERLYN MIND to perform any services excluded under this Limited Warranty, you may be required to pay standard repair fees for such work.
