# Wall Mount Assembly
Mounting Kit for Symphony Classroom™ Installation Guide

⚠ WARNING / IMPORTANT SAFETY NOTICE

- Do not install the wall mount or the display mount until you have fully read and understood this installation guide.
- Incorrect or improper installation of this product may cause injury or property damage.
- Do not use the wall mount and display mount other than what is specified in the manual.
- Only qualified personnel or a mechanically proficient person should install this wall mount or display mount.
- Installers are responsible for checking the suitability of the wall in which the unit is being mounted on.
- It is recommended to have two people when lifting or mounting is involved.
- For wall mounting on drywall material or similar surfaces, please use the included plastic anchor for a more secure mount.
- Our product is intended for indoor use only; do not mount the unit outdoors as it can cause product damage or physical injury.
- Tighten the screws, but not over-torque them.
- Please contact tech support if you have any questions or comments

Limited Warranty Statement:
Your Product Accessory is covered by a Merlyn Mind,
Inc. One-Year Standard Limited Warranty,
